### **DEPARTMENT**

Health Department Administrator Amy Fox stated that over the next couple of months, she will be sending a couple of transfers through the committee for approval. She stated that one reason is due to the unexpected vaccine costs.

Fox stated that meeting notices and invitations will be sent out for the Community Health Improvement Plan. She stated that they are using MAPP (Mobilizing for Action through Planning and Partnerships (MAPP) which is a broader process.

Fox stated that projects are moving along at the new Health Department building on Broadway.

## **ENVIRONMENTAL**

### **HEALTH**

Environmental Health Supervisor Stacy Thompson stated that January is radon action month, so they are doing a buy one get one free on radon test kits, which are \$8.00. She stated that test kits will be sold at the Peoria Home Show in February and information will be provided to the public.

Thompson stated that the food permit renewals are going well. However, there are about 30 outstanding facilities that have not

been renewed. She said if paperwork is not received by next week, they will send staff out to make contact with the owner.

**SOLID WASTE**

Environmental Health Director Melissa Goetze stated a Pekin Landfill meeting was held with Attorney Kevin Day (the environmental attorney for the County), IEPA, and the Tazewell County Development, LLC, who purchased the landfill.
