Tazewell County Extension Board
Minutes – July 15, 2014

The July 2014 Tazewell County Extension Board levy request meeting was called to order by Earl Allen, County Extension Director, at 6:32 p.m. on Monday, July 15, 2014 at the Tazewell County Extension office in Pekin. Board members present were County Extension Director Earl Allen, Extension Council representative Mike Endress, and Tazewell County Board members Greg Sinn, Rosemary Palmer and John Ackerman. Absent were Extension Council members Cindy Hoerbert and Scott Lowery.

Earl welcomed the board members and thanked everyone for attending.

Minutes from the 2013 meeting were reviewed. A motion was made by Greg Sinn and seconded by Rosemary Palmer to approve the minutes. The motion carried.

Earl provided an update on University of Illinois Extension programs in Unit 11.

Earl presented and reviewed the draft **FY16 Fulton-Mason-Peoria-Tazewell Unit Extension** budget containing the **FY15 Tazewell County Board** levy request. After discussion by the group, Earl requested an FY14 levy amount of \$155,000. This amount represents a 4% increase compared to last year's amount, and is less than the FY10 amount of \$156,000.

A motion was made by John Ackerman to forward the budget and a \$155,000 levy request to the Tazewell County Board Finance Committee with a recommendation to accept the budget and levy request. The motion was seconded by Greg Sinn. The motion carried.

In other discussion, the board recommended forwarding the levy request and meeting minutes to Tim Newhouser and David Zimmerman in the current absence of a county administrator. They also asked to be notified when I do so. John Ackerman recommended notifying representatives of the Extension Council meeting schedule. He also requested that documentation be developed outlining benefits received for outlay of local tax dollars and justification for varying levy amounts among counties. Earl agreed to work on summarizing this type of information.

There being no opposition, the meeting was adjourned at approximately 7:50 p.m.

Minutes recorded and submitted by Earl Allen, University of Illinois County Extension Director, Fulton-Mason-Peoria-Tazewell Unit.

* The Contingency Reserve budget line is for unforeseen obligations and future needs. The contingency funds would be available to meet financial obligations during the fiscal year that may occur if budgeted revenue amounts are not received at the level expected, or for other future needs in support of unit activities.

** A deficit exists when a unit has an overall negative fund balance (less than zero carryover funds). The deficit may be short-term (non-recurring) or long-term (recurring or structural). A short-term deficit is one that can be eliminated in 1-3 years with minimal disruption to unit operations. An example of short-term deficit would be one resulting from the VSIP retirement/resignation program. A long-term, recurring, or significant deficit may require more significant organizational changes. The amount entered above is to eliminate a deficit according to the Deficit Elimination Plan and would remain unspent in the trust account.
