

CONSERVATION DISTRICT

§ 157.265 PURPOSE.

The Conservation District is established for the preservation of natural features, the natural habitats of wildlife, and agricultural lands encouraging the continued use of agricultural production. The Conservation District is also designed to protect the public health, safety, comfort, and general welfare by reducing the hardships and financial burdens imposed on the county by the periodic flooding and overflow of the streams and rivers.

(Prior Code, 7 TCC 1-16(a))

§ 157.266 PERMITTED USES.

The following uses are permitted used in the Conservation District in accordance with the applicable regulations set forth in this chapter:
