

CAMA System Conversion

The County's current CAMA system provider is no longer supporting the CAMA website. The County has entered into an agreement with the current property tax vendor to use their CAMA system and is actively working on the conversion. Once completed, CAMA data will display as a section on the current property tax inquiry page. The process is expected to be completed by this summer.

We apologize for the inconvenience and our office is happy to assist you with any CAMA-related information. For copies of property record cards, please contact the Supervisor of Assessments Office via email: assessments@tazewell-il.gov . The office will email the record within one business day. You may also contact the Supervisor of Assessments Office by phone at (309) 477-2275 if you need quick information (e.g. year built, # of bathrooms, etc.). We understand the importance of the information and will respond as quickly as possible.
