INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER COMPLIANCE

Honorable Lincoln Hobson
Circuit Clerk of Tazewell County
and
Tazewell County, Illinois

Report on Compliance

We have examined compliance by the Office of the Circuit Clerk of Tazewell County (Office) with the specified requirements listed below where applicable laws, rules, regulations, and court orders require the Office to collect, hold, and disburse moneys to applicable parties or entities, outside of moneys already on deposit in Tazewell County, Illinois' funds and accounts used to finance the regular operations of the Office, as more fully described in the *Circuit Clerk Audit Guidelines (Guidelines)* as adopted by the Administrative Office of the Illinois Courts, during the year ended November 30, 2024. Management of the Office is responsible for compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

The specified requirements are:

- A. The Office has complied, in all material respects, with applicable laws, rules, regulations, and court orders in its financial and fiscal operations.
- B. Moneys or negotiable securities or similar assets handled by the Office or held in trust by the Office have been properly and legally administered, and the accounting and recordkeeping thereto is proper, accurate, and in accordance with law.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Clerks of Courts Act (Act), and the *Guidelines*. Those standards, the Act, and the *Guidelines* require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance with the specified requirements, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Honorable Lincoln Hobson
Circuit Clerk of Tazewell County
and
Tazewell County, Illinois

Our examination does not provide a legal determination on the Office's compliance with the specified requirements.

In our opinion, the Office complied, in all material respects, with the specified requirements during the year ended November 30, 2024.

Report on Internal Control Over Compliance

Management of the Office is responsible for establishing and maintaining effective internal control over compliance with the specified requirements (internal control). In planning and performing our examination, we considered the Office's internal control as a basis for designing examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Office's compliance with the specified requirements and to test and report on the Office's internal control in accordance with the *Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the specified requirements on a timely basis. A *material weakness in internal control* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material noncompliance with the specified requirements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our examination, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an attestation performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

Tazewell County, Illinois

Report on the Schedule of Accountabilities

We have examined management of the Office of the Circuit Clerk of Tazewell County, Illinois' (Office) assertion that the Schedule of Accountabilities (Schedule) for the year ended November 30, 2024 is presented in accordance with the criteria set forth in Note 1, as more fully described in the *Circuit Clerk Audit Guidelines (Guidelines)* as adopted by the Administrative Office of the Illinois Courts. Management of the Office is responsible for its assertion. Our responsibility is to express an opinion on the Schedule for the year ended November 30, 2024 based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Clerks of Courts Act (Act), and the *Guidelines*. Those standards, the Act, and the *Guidelines* require that we plan and perform the examination to obtain reasonable assurance about whether the Schedule is presented in accordance with the criteria, in all material respects. An examination involves performing procedures to obtain evidence about the Schedule. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the Schedule for the year ended November 30, 2024 is presented in accordance with the criteria set forth in Note 1 in all material respects.

Report on Internal Control Over the Schedule of Accountabilities

Management of the Office is responsible for establishing and maintaining effective internal control over preparing a complete and accurate Schedule in accordance with the *Circuit Clerk Audit Guidelines* published by the Administrative Office of the Illinois Courts (internal control). In planning and performing our examination, we considered the Office's internal control to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Office's compliance with the specified requirements and to test and report on the Office's internal control in accordance with the *Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the specified requirements on a timely basis. A *material weakness in internal control* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material noncompliance with the specified requirements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our examination, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an attestation performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON THE SCHEDULE OF ACCOUNTABILITIES AS SUPPLEMENTARY INFORMATION

Honorable Lincoln Hobson
Circuit Clerk of Tazewell County
and
Tazewell County, Illinois

Supplementary Information

We have audited the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Tazewell County, Illinois (County), as of and for the year ended November 30, 2024 (not presented herein), and have issued our report thereon dated July 25, 2025, which contained unmodified opinions on those financial statements. Our audit for the year ended November 30, 2024 was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to July 25, 2025. The Schedule of Accountabilities for the year ended November 30, 2024 is presented for the purposes of additional analysis and is not a required part of the basic financial statements of the County. Such information is the responsibility of County management and was derived from and relates directly to the underlying accounting and other records used to prepare the County's basic financial statements. The Schedule of Accountabilities has been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended November 30, 2024 and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Accountabilities is fairly stated in all material respects in relation to the basic financial statements as a whole for the year ended November 30, 2024.

NOTE 1 BASIS OF ACCOUNTING

The schedule of accountabilities (Schedule) includes only those accounts and funds where laws, rules, regulations, or court orders require the Circuit Clerk of Tazewell County (Circuit Clerk) to collect, hold, and disburse moneys to applicable parties or entities, outside of those funds which finance the Circuit Clerk's regular ongoing operations. The Schedule is prepared on the cash basis of accounting, where receipts, including interest and investment income, are recorded when physical cash, a negotiable instrument, or an electronic transaction is received by the Circuit Clerk and disbursements are recorded when physical cash, a negotiable instrument, or an electronic transaction is processed by the Circuit Clerk.

Major differences between the presentation of this Schedule and the annual financial statements prepared in accordance with generally accepted accounting principles (GAAP) by Tazewell County include revenue and expense (or expenditure) recognition, including the lack of receivables and liabilities and adjustments to fair value to recognize unrealized gains (losses) on investments.

NOTE 3 DEPOSITS AND INVESTMENTS

Authorized Investments

The investment and deposit of the Circuit Clerk monies is governed by the provisions of the Illinois Compiled Statutes. In accordance with these provisions, all monies must be invested in one or more of the following:

- A. Interest-bearing savings accounts, interest-bearing certificates of deposit, or interest-bearing time deposits constituting direct obligations of any bank as shall have been selected and designated under the terms of the Illinois Compiled Statutes and as shall have complied with the requirements thereof;
- B. Shares or other forms of securities legally issuable by savings and loan associations incorporated under the laws of this state or any other state or under the laws of the United States, provided such shares or securities are insured by the Federal Deposit Insurance Corporation;
- C. Bonds, notes, certificates of indebtedness, treasury bills, or other securities now or hereafter issued, which are guaranteed by the full faith and credit of the United States of America as to principal and interest;
- D. Short-term discount obligations of the Federal National Mortgage Association.

Our audit for the year ended November 30, 2024 was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to November 30, 2024. The Annual Financial Report known as Report J for the year ended November 30, 2024 is presented for the purposes of additional analysis and is not a required part of the basic financial statements of the County. Such information is the responsibility of County management and was derived from and relates directly to the underlying accounting and other records used to prepare the County's basic financial statements. The Annual Financial Report known as Report J has been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended November 30, 2024 and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Annual Financial Report known as Report J is fairly stated in all material respects in relation to the basic financial statements as a whole for the year ended November 30, 2024.
