MOTION **MOTION BY MEMBER SCHMIDGALL, SECOND BY MEMBER HOPKINS** to approve the October 9, 2025 meeting minutes

On voice vote, **MOTION CARRIED UNANIMOUSLY.**

HEALTH Health Department Administrator, Amy Fox, stated that an email was recently sent out to all county board members regarding the 2023 Tazewell County Mortality report. She provided an overview of the report.

Administrator Fox provided a handout entitled "WIC vs. SNAP". She provided an overview of the handout. She stated that due to the government shutdown, SNAP recipients will receive between 50%-65% in November, however, WIC recipients will continue to receive full benefits for at least November and into December.

Administrator Fox provided a handout for a pilot program entitled "myfriendben" which provides benefits such as food assistance, free or low-cost health insurance, phone, internet, and transportation discounts, cash assistance/tax credits, and disability benefits. She stated that the program provides other additional benefits.

ENVIRONMENTAL Environmental Health Director Melissa Goetze provided an overview of the October report.

Director Goetze stated that this is the time of year that they send out the Waste Reduction and Recycling Grant Applications for solid waste grants. She provided a handout of the Application and suggested language changes to the Application. She provided an overview of the Application process and the suggested changes.

Director Goetze provided an overview of a May 15, 2025 inspection that was conducted of the Pekin Landfill which contained several violations. She also provided a status of ownership of the property. She stated that the current owner is responsible for the mowing and cleaning up the garbage, there are gas wells and monitoring wells that are not properly capped, and there is a leachate issue. She said that the owner requested a few extensions and made a few improvements. She stated that the County has hired Attorney Kevin Day to help work through the process. She stated that the attorney has had no contact with the owner since June. She stated that she has tried to make contact with the owner, however, he has not reached back out to her. She stated that the taxes have not been paid on the property for 2023 or 2024, however, the tax bills were sent to one of the prior owners due to an error in the legal description.

Member Sinn stated that the County receives funds from the other landfill and it is his opinion that we should use some of those funds to make improvements to the Pekin Landfill.

Director Goetze stated that this will be discussed at the executive committee meeting this month.

Chairman Hall recessed the meeting at 6:04 p.m.
