Minutes pending committee approval

Property Committee Meeting

James Carius Community Room

Tuesday, December 9, 2025 – 3:30 p.m.

Committee Members Present: Chairman Max Schneider, Mike Harris, Jon Hopkins, Kim Joesting, Dave Mingus, Eric Schmidgall

Committee Members Absent: Vice Chairman Eric Stahl, Nancy Proehl, Aaron Phillips

Others Attending: Mindy Darcy, County Administrator

MOTION **MOTION BY MEMBER HARRIS, SECOND BY MEMBER HOPKINS**
to approve the minutes of the November 10, 2025 meeting

On voice vote, **MOTION CARRIED UNANIMOUSLY.**

Public Comment: Tim Baer spoke about his concerns regarding the proposed Ameren Powerline along Route 9. He is requesting that Tazewell County approves installing the poles on the south side of Route 9 in the Tazewell County Farm.

P-25-18 **MOTION BY MEMBER HARRIS, SECOND BY MEMBER HOPKINS** to recommend to approve PJ Hoerr to Serve as Project Manager Over Renovations and Improvements to Existing Buildings

Administrator Darcy provided a presentation to help highlight the process and timeline in which the County and PJ Hoerr would follow to efficiently bid the projects and get them completed. She stated that the Contract with PJ Hoerr as Construction Manager of the Justice Center Annex project includes oversight of renovations of existing buildings. She stated that the projects are expected to be completed between FY25-FY27. She stated that the budget for all projects total \$8,198,132, which includes all materials, labor, charges and fees by PJ Hoerr and sub-contractors. She stated that projects can be removed from the listing and brought in-house at any time.

Administrator Darcy stated that there will be monthly meetings with PJ Hoerr, Facilities Director, and County Administrator to set priorities, timelines, and discuss project specifications, progress, and costs.

Administrator Darcy provided an example of a Subcontractor Project Cost Worksheet Walkthrough document and provided an overview.

Administrator Darcy stated that for any project that is over \$30,000 and at or below the project budget, the project will proceed to contract. She stated that for any project where the total is over \$30,000 and above the approved budget, the

project will be brought to the Property Committee and County Board for approval.

Member Harris stated that we do not have a manpower in our Facilities Department to control and manage all of these projects, therefore, he is in support of this.

Member Hopkins recommended having a system in place so that we have as many qualified local bidders as possible to maximize our savings and support the local economy. He also recommended that we use the same process as the Animal Control building and have the winning bids emailed to the members for their review.

On voice vote, **MOTION CARRIED UNANIMOUSLY.**

P-25-20 MOTION BY MEMBER MINGUS, SECOND BY MEMBER HARRIS to recommend to approve of the Right of Entry Consent Agreement with Ameren Illinois

Community Development Administrator Jackie Workman stated that this was discussed at the June and October meetings. She stated that Ameren has a desire to move these structures off of the Getz Farm and placed on the County's Tremont campus. She stated that this Resolution only approves consent to go on the property and perform a survey and testing of the area and support being open to the structures being placed partially or wholly on the County property.

On voice vote, **MOTION CARRIED UNANIMOUSLY.**

DISCUSSION: Current Project Update

Facilities Maintenance Director Schone provided an overview of current projects.

RECESS Chairman Schneider recessed the meeting at 4:10 p.m.

(transcribed by S. Gullette)

COMMITTEE REPORT

Mr. Chairman and Members of the Tazewell County Board:

Your Property Committee has considered the following RESOLUTION and recommends that it be adopted by the Board:

RESOLUTION

WHEREAS, the County's Property Committee recommends to the County Board to approve the replacement of the McKenzie Building boiler; and

WHEREAS, P.J. Hoerr received bids from subcontractors including Ruyle Mechanical Services, Inc., Diversified Mechanical, Inc., O'Brien Bros., Inc., and Standard Heating & Cooling. Ruyle Mechanical Services, Inc. as subcontractor was deemed the best overall option resulting in a total project cost of \$93,772.74; and

WHEREAS, P.J. Hoerr will oversee this project through our existing relationship with them as construction manager over renovations and property improvements to Tazewell County's existing buildings and properties; and

WHEREAS, the project is funded in the FY26 Capital Improvement Plan Fund with a budget of \$85,000; and

WHEREAS, the County Administrator recommends approving the proposal and is authorized to proceed with the project.

THEREFORE BE IT RESOLVED that the County Board approve this recommendation.

BE IT FURTHER RESOLVED that the County Clerk notifies the County Board Office, the Finance Office, the Facilities Director and the Auditor of this action.

PASSED THIS 28th DAY OF JANUARY, 2026.

McKenzie	Electrical upgrade and lighting replacement	Ongoing	Working with PJ Hoerr. Have had initial evaluation meeting in determining scheduling of priority. An initial bid package has been established and working through specifics of the project requirements
Emergency Management Building	Paint Interior and Replace Front Doors	Ongoing	Replace Doors- Grawey's Glass completed the installation work for the doors and windows. Paint- . We have contacted additional contractors for pricing and plan to confer with PJ with other paint projects they have planned. Anticipate this to be completed FY 26

Facilities Projects Update

January 13, 2026

Building	Project	Status	Update
Other	New Maintenance Management Software	Ongoing	Work in progress. We have implemented the program and pushed it out to all departments to assign their "requesters" that will be assigned as the individuals that will make work request for any work of repairs necessary within the department or building areas
Animal Control	New Building Site Activities	Ongoing	Refer to project report provided by PJ Hoerr
New Justice Center Annex	Site Activities	Ongoing	Refer to project report provided by PJ Hoerr

GENERAL PROGRESS SUMMARY

Construction officially reaches the five-month mark this month, with crews continuing work on the masonry shafts and interior footings. Masonry operations will continue along the south side of the building, followed by construction of the center masonry shaft. In addition, crews are expected to wrap up the south foundation wall next week, marking another major step forward in the project's progress.
