ADDENDUM #1 FOR 26-01125-00-WR(N-MFT)

This Addendum supplements and amends the original Drawings and Specifications and shall be taken into account in preparing proposals, and shall become a part of the Contract Documents. In case of conflict between the Drawings, Specifications and this Addendum, this Addendum will govern. Careful note of this Addendum shall be taken and all trades affected shall be fully advised for performance of the work.

This Addendum is necessary to address the error on the cross section. Please replace all original pages as shown below:

- Replace Page 1 of 1 of Schedule of Prices (BLR12201) (Pay Item Number 2 has been deleted)
- Replace Page 1 and Page 2 of the Special Provisions (BLR 11310) (**Changes are shown in red**)
- Replace Page 44 – Quantities (Traffic Control and Protection (Special) has been removed)

The Link to the Proposal & Plans will be updated to include these changes as well.

Please contact our office if you have any questions.

Please sign and e-mail back a copy of acknowledgment of Addendum #1.

By signing below, I acknowledge receipt of Addendum #1 for 26-01125-00-WR(N-MFT)

Schedule for Single Bid

(For complete information covering these items, see plans and specifications.)

Item Number	Items	Unit	Quantity	Unit Price	Total
1	HMA BC WID 6	SQ YD	3,503		
Bidder's Total Proposal					

1. Each pay item should have a unit price and a total price.
2. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern.
3. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price.
4. A bid may be declared unacceptable if neither a unit price or total price is shown.

The following Special Provision supplement the "Standard Specifications for Road and Bridge Construction", adopted

January 1, 2022, the latest edition of the "Manual on Uniform Traffic Control Devices for Streets and Highways", and the "Manual of Test Procedures of Materials" in effect on the date of invitation of bids, and the Supplemental Specification and Recurring Special Provisions indicated on the Check Sheet included here in which apply to and govern the construction of the above named section, and in case of conflict with any parts, or parts of said Specifications, the said Special Provisions shall take precedence and shall govern.

BIDDING REQUIREMENTS AND CONDITIONS: Prequalification of bidders with the Illinois Department of Transportation is required.

DESCRIPTION OF WORK: The work of this section consists of Hot-Mix Asphalt Base Course Widening, 6" deep by 3' wide and related work on TR 257 / Market Road from TR 188 / Townhall Road easterly to TR 144 / Bethel Road.

TRAFFIC: The construction route shall be closed to through traffic during the construction process by Boynton Road District.

TRAFFIC CONTROL PLAN: The Boynton Road District will supply traffic control & flagging during the construction process as necessary. The contractor shall notify the Road District and the Engineer at least one (1) week in advance of beginning of work at the site which will require traffic control in order for the Road District to schedule their workforce, prepare traffic control and provide advanced notice to the public, as applicable.

SUBSTITUTION OF BITUMINOUS MIXTURES: Bituminous Mixtures of a higher quality may be substituted for the designs specified at the approval of the Engineer. The contractor shall provide the Engineer with an approved mix design at least 24 hours prior to its use for his review. Use of the proposed substitute mix shall be solely at the discretion of the Engineer. The new mixture will be measured and paid for under the same applicable articles as the mixture for which it is substituted.

HOT-MIX ASPHALT BASE COURSE WIDENING, 6": This work shall be constructed in accordance with Section 356 of the Standard Specifications, with the following changes and stipulations:

BASIS OF PAYMENT: All actions performed during the construction process, including but not limited to, excavation, disposal, HMA placement and compaction, will not be measured separately but shall be included in the contract unit price per square yard for HOT-MIX ASPHALT BASE COURSE WIDENING, 6".

WEIGHT LIMITS: Legal weight limits shall be observed on all township roads and the structures they contain at all times.

GENERAL NOTES: Where section or subsection monuments are encountered, the Engineer shall be notified before such monuments are removed. The Contractor shall protect and carefully preserve all property markers and monuments until the owner, and authorized surveyor or agent has witnessed or otherwise referenced their location.

PRE-CONSTRUCTION MEETING: A pre-construction meeting for this Section is required between the Contractor, Highway Commissioner and the Resident Engineer.

TIME SCHEDULE: The specified completion date for this project is July 15, 2026.
